BUILDING RENO UPDATE:

Richard Herlund and Mark Lowen are working with the Council to get our Building Consent approved. Until we receive this consent, there is action happening behind the scenes, but as far as the Clubhouse goes it is status quo for now. You will be advised of the timetable as soon as it becomes available.

Any takers???
Make us an offer if you're interested in any second hand carpet from the clubhouse.
Hamish 027 685 6204
