Club News

Nathan Roberts

Immediate Past President, Fairlie Golf Club

Nathan's funeral will take place at the Clubhouse on Thursday 22 February - private service in the morning followed by a memorial gathering at 3 pm. The course will be closed for the day. Members are asked to please provide a plate for afternoon tea which can be dropped off between 2-3 pm, and to make themselves available to help in the kitchen and bar. Thank you ❤️

BEN OHAU CLASSIC

Congratulations to those from Fairlie who played in the Ben Ohau Classic last weekend. Great conditions for the 2-day tournament, with some pretty scorching-hot scores. The best of our men was Pete Anderson/Alex Struthers, 2nd in the overall field, and of our women Maree Ferriman-Smith/Janine Walker 8th overall. SH8 Shield was won by Ben Ohau.

TAP BEER – the Bar Committee has recommended to the General Committee that keg beer no longer be supplied, but in consultation with our members. If it remains it will need to reflect the cost of supply and this will be dearer than purchasing bottled beer. Members will be surveyed, please contact Gary Bros for more info 022 073 6933.

HEALTH & SAFETY – a timely reminder from the Committee to use golf carts responsibly on our golf course thanks. It's common sense folks - we don't need anything bad happening to people or property!
